NEWS RELEASE

Industrial Scientific Announces Guaranteed for Life™ Warranty for Tango™ TX1 Gas Detector
The Tango TX1 Single Gas Monitor Featuring DualSense® Technology Now Carries a Lifetime Warranty.

PITTSBURGH, PA – 7 September 2016 – Industrial Scientific, the global leader in gas detection, is pleased to announce that all Tango™ TX1 gas detectors are now Guaranteed for Life™. Under the Guaranteed for Life warranty, all Tango TX1 gas detectors are warranted to be free from defects in material and workmanship under normal and proper use and service for as long as the instrument is supported by Industrial Scientific. The Tango TX1’s sensor warranty remains unchanged. Carbon monoxide (CO) and hydrogen sulfide (H₂S) sensors are warranted for three years. All other sensors are warranted for two years from the initial purchase date.

The Guaranteed for Life warranty adds to the long list of reasons Tango TX1 is the most reliable single-gas instrument on the market. The instrument features DualSense® Technology, which increases worker safety, regardless of bump test frequency, while also reducing overall costs. Tango gas detectors also include easy-to-replace sensors, filters, and batteries.

To learn more about the Tango TX1 and details of the Guaranteed for Life warranty, visit www.indsci.com/tango.

About Industrial Scientific Corporation
As the global leader in gas detection, Industrial Scientific provides gas detection products and services that keep workers safe in hazardous environments. The company’s 700 employees in 21 countries are committed to preserving human life, and have dedicated their careers to ending death on the job in this century. Established in 1985 and headquartered in Pittsburgh (USA), Industrial Scientific also has operations based in Arras (France) and Shanghai (China), and provides technical services to customers from local service centers around the world. Industrial Scientific is the parent company to Predictive Solutions Corporation (www.predictivesolutions.com). For more information, visit www.indsci.com.
