6-Unit V-Cal™ Calibration Station for Ventis® Pro and MX4 to be Discontinued August 1, 2019

Due to diminishing demand, Industrial Scientific is discontinuing the 6-unit V-Cal Calibration Station for Ventis® Pro and Ventis® MX4 gas detectors effective August 1, 2019, subject to availability. Industrial Scientific recommends the DSX™ Docking Station as a replacement for the 6-unit V-Cal. The DSX allows for automated bump testing, calibration, and maintenance of gas detectors. See below for descriptions and part numbers for the DSX Standalone Docking Station and DSXi Cloud-Connected Docking Station:

DSX Docking Station	Part Numbers
<p>DSXi Cloud-Connected</p> <ul style="list-style-type: none"> • A complete, automated maintenance, record storage, and fleet management system • Includes free access to iNet® Control software, allowing for effortless management of data and software updates • Automated bump testing and calibration per selected schedule • Email alerts and notifications about worker exposure and instrument usage, as well as gas detector service needs 	<p>18109327-1BC</p> <p>B – Number of Gas Inlet Ports: 3 = 3 Ports; 6 = 6 Ports</p> <p>C – Power Cord Type: 1 = North America; 2 = EU; 3 = AUS; 4 = UK</p>
<p>DSX Standalone</p> <ul style="list-style-type: none"> • A simple out-of-the box maintenance station that requires no PC or network configuration • Easy bump testing and calibration of gas detectors upon docking • Automated record keeping • Automatic printing of bump test and calibration certificates (with direct connect printer) 	<p>18109327-0BC</p> <p>B – Number of Gas Inlet Ports: 3 = 3 Ports; 6 = 6 Ports</p> <p>C – Power Cord Type: 1 = North America; 2 = EU; 3 = AUS; 4 = UK</p>

Discontinued 6-Unit V-Cal part numbers are listed below:

Discontinued Part Number	Description
18107664-060	V-Cal 6-Unit Calibration Station, all pumped, universal power cord for US, UK, EU, and AUS
18107664-330	V-Cal 6-Unit Calibration Station, 3 pumped/3 non-pumped, universal power cord for US, UK, EU, and AUS
18107664-600	V-Cal 6-Unit Calibration Station, all non-pumped, universal power cord for US, UK, EU, and AUS
