AXENTM AX4

SIMPLE SAFETY. EVERY SHIFT.

A PRACTICAL 4-GAS MONITOR BUILT FOR EVERYDAY WORK

EASY TO USE

Simple operation with minimal training required

RELIABLE

Proven Industrial Scientific technology for consistent performance

ALWAYS READY

Long battery life and fast charging helps keep monitors in rotation

PRACTICAL

A strong fit when simplicity and cost both matter

BUILT FOR THE WAY WORK ACTUALLY HAPPENS

When crews don't have time to manage complicated gas monitors, the Axen AX4 is ready to be picked up, turned on, and trusted to do its job.
